

**CAMINO REAL REGIONAL MOBILITY AUTHORITY
BOARD RESOLUTION**

WHEREAS, the Camino Real Regional Mobility Authority (CRRMA) entered into a construction contract (Contract) with Jordan Foster Construction, LLC (Contractor) for the construction of the Eastlake Boulevard Phase 2 Project (Project);

WHEREAS, during construction, the parties identified additional work required to connect an irrigation system to a water meter that was not originally planned, but would be beneficial to other work being completed by the Town of Horizon City adjacent to the Project; and

WHEREAS, there is no time impact to the project, the County of El Paso and Town of Horizon City have both reviewed and approved this proposed change order and associated costs, and the parties therefore desire to execute Change Order No. 1 to the Contract;

NOW, THEREFORE, BE IT RESOLVED BY THE CAMINO REAL REGIONAL MOBILITY AUTHORITY:

THAT the Executive Director be authorized to execute Change Order No. 1 with Jordan Foster Construction, LLC., to permit additional work related to an irrigation system for the Eastlake Boulevard Phase 2 Project.

PASSED AND APPROVED THIS 6TH DAY OF JUNE 2017.

Good afternoon, Adalberto,

Based on the amounts, we recommend the boring option. Please let me know if you require any additional information.

Thank you,

Good morning Michelle,

By any chance do you have a status update on the e-mail shown below?

Thank you,
AO

Subject: Eastlake Ph. II Project - Switch from Phase I to Phase II has been moved
Importance: High

Good morning all,

Just an FYI to let you know that the switch from **Phase I to Phase II** of the project has been moved to approximately two weeks from today due to some pending construction items.

Michelle, Roxane: As requested, the change order for the traffic control, leaving the landscape ready only for planting of trees and shrubs at the end of all phases came out to be:

- 1- **Time and Location:** 35 days of TCP on Phase I, II and III.

- 2- If only 1 attenuator truck is used = \$18,299.67
- 3- If additional attenuator truck is required (total 2 trucks) = \$30,234.23
- 4- Including equipment: Signs, Stands, Drums W/base, Type III Barricades, Sand Bags, Arrow Board, Delivery, Set-up, Pick-up, 1 Attenuator Truck (if additional truck needed see price above).
- 5- Not including: Rumble Strips, Water Barriers, Message Boards.

On the other hand, the change order for boring and connect water meter in order to leave landscape completely installed by the end of each phase is = \$7,200.00

Please let me know what you think, and if a conference call is needed, maybe we can schedule it later today or tomorrow.

Thank you,

Adalberto Ordonez
