

**WORK AUTHORIZATION NO. 37.1**

This **Work Authorization No. 37.1** is made as of this \_\_\_\_\_ day of \_\_\_\_\_, 2021, under the terms and conditions established in the AGREEMENT FOR GENERAL CONSULTING ENGINEERING SERVICES, dated as of July 24, 2015 (the “Agreement”), between the Camino Real Regional Mobility Authority (“Authority”) and Atkins North America, Inc. (“GEC”). This Work Authorization is made for the purposes identified below, consistent with the services defined in the Agreement.

The Authority and the GEC previously entered into **Work Authorization No. 37** for the GEC to provide various design oversight and support services necessary for the John Hayes Project (Project). The Project is being developed at the request of El Paso County, which has now asked for assistance with certain right of acquisition services necessary for the Project. Therefore, this **Work Authorization No. 37.1** intends to allow the GEC to provide right of way acquisition, appraisal, appraisal review, title, and associated services, as may be required for the Project.

Therefore and in consideration of the mutual covenants and agreement between the parties, the Authority and GEC hereby agree to the following.

**Section A. – Scope of Services**

The GEC shall provide general engineering support and related services to the Authority pursuant to and in accordance with **EXHIBIT “A”** to this Work Authorization, which is incorporated herein for all purposes.

**Section B. - Schedule**

The GEC shall not commence the performance of any services required by **EXHIBIT “A”** until the Executive Director of the Authority provides a written Notice to Proceed to the GEC.

**Section C. - Compensation**

In return for the performance of the obligations identified within this Work Authorization, the Authority shall pay to the GEC an amount not to exceed THREE HUNDRED SEVENTY-NINE THOUSAND EIGHT HUNDRED ONE AND 48/100 DOLLARS (\$379,801.48), based on the Fee Estimate Summary, which is attached hereto for all purposes as **EXHIBIT “B”**. Compensation shall be made in accordance with the Agreement. Invoices shall be provided by the GEC in accordance with **EXHIBIT “C”**, which is attached hereto and incorporated herein for all purposes.

### WORK AUTHORIZATION NO. 37.1

#### ATKINS (the “GEC”)

#### SERVICES TO BE PROVIDED BY THE GEC

#### INTRODUCTION

The scope of this Work Authorization No. 37.1 covers the services requested of the GEC for Right of Way Acquisition, Appraisal, Appraisal Review, and Title services for the following El Paso County Project consisting of 11 parcels to acquire.

- John Hayes from Montwood to Pellicano Dr.

Payment for work performed under this work authorization is subject to the Agreement for General Engineering Consulting Services between the Authority and the GEC.

#### TASK 1 - RIGHT OF WAY ACQUISITION SERVICES

- **Project Management Services (“Project Management”)**
  - GEC shall prepare and deliver one monthly invoice for each active Work Authorization. Prepare invoices utilizing standard payment submission forms with supporting documentations. Supporting documentation requirements are determined by the AUTHORITY.
  - GEC shall attend monthly status meetings with date, required attendees, time and location to be determined by the AUTHORITY.
  - GEC will coordinate all required right of way related activities with the project surveyor, title company, appraiser, review appraiser, acquisition agents, relocation agents, condemnation support staff and condemnation attorney(s).
  - GEC will conduct weekly or bi-weekly right of way acquisition status meetings with project personnel to update status and identify action items.
  - GEC will report project status to the AUTHORITY as requested.
  - GEC shall coordinate with staff and Contractors that have the responsibility of utility accommodation, coordination, and verification that result in the adjustment of utilities such that construction of the transportation project can proceed without delay.
- **Negotiation Service**
  - GEC shall prepare initial property owner contact list.
  - GEC shall at a minimum, provide a monthly written report on the status of service tasks completed and service tasks remaining in order to bring each parcel into possession.

- Electronic parcel files must be kept with permanent records transferred to the AUTHORITY. GEC shall maintain working files in the GEC's project management office. GEC shall electronically submit all documents generated or received by the GEC to the AUTHORITY office. Upon closing of parcel, GEC shall transfer all remaining documents not previously submitted. GEC shall submit documents required to be hard copies as generated.
- GEC shall maintain copies of all correspondence and contacts with property owners.
- GEC shall maintain records of all payments including, but not limited to, warrant number, amount, and date paid.
- GEC shall analyze preliminary Title Commitment report to determine potential title problems. This includes analysis of access easements.
- GEC shall secure Title Commitment updates in accordance with insurance rules and requirements for parcel payment submissions. There should not be any changes at this point, but if there are changes (such as abstractor's fees) these costs must be reimbursed to the GEC as pass-through costs.
- GEC shall analyze appraisal and appraisal review reports and confirm the approved value prior to making an offer for each parcel.
- GEC shall prepare and send the letter transmitting the Landowners' Bill of Rights by Certified Mail-Return Receipt Requested (CMRRR).
- GEC shall provide property description to the property owner.
- Securing Possession and Use Agreement for Transportation Purposes with Additional Payment of Independent Consideration (PUAIC) is part of general Negotiation Services. GEC shall explain and provide the opportunity for the property owner to execute a PUAIC in accordance with the AUTHORITY or TxDOT policy and procedures.
- GEC shall prepare all documents required or requested by the AUTHORITY on applicable TxDOT forms. (i.e., the initial offer letter, memorandum of agreement, instruments of conveyance)
- GEC shall send the written offer, appraisal report and required brochures to each property owner or the property owner's designated representative through CMRRR; maintain coordination of all closing activities, including but not limited to following-up on contacts and securing the necessary instruments upon acceptance of the offer; and retain copies of the unsigned CMRRR receipt and the appraisal as support for billing purposes.
- GEC shall respond to property owner inquiries verbally and in writing within two business days.
- GEC shall prepare a separate negotiator contact report for each parcel, per contact, on applicable TxDOT forms.
- The curative services necessary to provide a clear title are the responsibility of the GEC and thus are part of the GEC's fee for Negotiation Services and Condemnation Support Services. Curative services do not include costs and expenses that qualify as payment of incidental expenses to transfer real property. Incidental expenses not paid to the title company are reimbursed as a pass-through cost.
- GEC shall have direct contact with the title company to obtain an updated Title Commitment along with other forms and certified copies of the instrument of conveyance necessary when requesting the parcel payment through the

AUTHORITY.

- All original documents generated or received by the GEC must be delivered to AUTHORITY. Copies or working file documents must be kept by the GEC.
  - GEC shall maintain parcel files of original documentation related to the purchase of the real property or property interests.
  - GEC shall provide closing services in conjunction with the title company and shall be required to attend closings. In the event of a closing by mail, title work must be reviewed prior to the closing by mail and again prior to recording of the instrument.
  - GEC shall record all original instruments immediately after closing at the respective county clerk's office.
  - GEC shall advise property owner of the administrative settlement process, assist them with the preparation of a counteroffer package, and shall transmit any written counteroffer from property owners including applicable forms, supporting documentation and written comments with regard to Administrative Settlements in accordance with the AUTHORITY's policy and procedures.
  - GEC shall secure title insurance for all parcels acquired, insuring acceptable title. Written approval by the AUTHORITY is required for any exception.
  - GEC shall appear and provide Expert Witness testimony as required.
  - GEC shall follow current TxDOT guidelines when negotiating parcels.
- **Relocation Assistance Services for Residential, Business, and Personal Property**
    - GEC shall provide advance notice of the date and time of the initial meeting with the Displacee regarding the Appraiser's and Relocation Agent's inspection of the subject property. Relocation Agent will determine the type, needs and eligibility of the Displacee(s) based on the inventory within the proposed right of way and interview with affected Displacee.
    - GEC shall notify all approved Displacees of eligibility for relocation assistance. At the time of initial contact, the GEC shall provide Displacees, that are approved by the AUTHORITY, with a Relocation Assistance Packet consisting of the following approved TxDOT forms:
      - Parcel advisory services record
      - Certificate of eligibility
      - Relocation Assistance Brochure
    - GEC shall provide on-going relocation assistance and advisory services to Displacees affected by the acquisition of right of way in accordance with federal and state mandates. On-going advisory services include monitoring the move and any necessary relocation activities taken by the Displacee. Frequency and manner for monitoring the move must match the complexity of the relocation, however, in an effort to control travel expenses, agents will make in-person site visits with property owners only when necessary and documented in the contact log portion of the required forms to be submitted at close out.
    - GEC shall deliver the 90-day notice and benefits package at the same time as the written offer to purchase is delivered.
    - GEC shall provide 30-day notice to vacate once the AUTHORITY has possession of the property. The Displacee must be given a minimum of 90 days' notice prior to being required to vacate.

- GEC shall immediately notify the AUTHORITY if the Displacee does not vacate the premises after 30-day notice expires.
  - GEC shall prepare all relocation claims on appropriate forms and in accordance with TxDOT policies and procedures.
  - GEC shall coordinate, and monitor moves with displaced, business owners, tenants, and with moving companies in accordance with TxDOT procedures.
  - Relocation Agent must maintain relocation contact logs on appropriate TxDOT forms journaling all attempted and completed contacts with all parties, including descriptions of the reasons and outcome for each contact. Copies of all Displacees' emails with date and time sent must be captured in the GEC's relocation contact logs.
  - Relocation Agent must:
    - Be available for any relocation appeals and meetings.
    - Prepare all relocation payment claim submissions for all Displacees in accordance with TxDOT guidelines.
    - Deliver warrants in accordance with TxDOT guidelines.
    - Issue Relocation Assistance Program Surveys to all Displacees.
  - GEC shall provide an executed certification of eligibility with all Displacee claims.
  - GEC shall maintain relocation file in compliance with TxDOT policies and procedures.
- **Condemnation Support Services**
    - In the event acquisition efforts by the GEC are unsuccessful, GEC shall prepare and send all final file documents to the AUTHORITY required to initiate eminent domain activities.

## **TASK 2 – APPRAISAL AND APPRAISAL REVIEW SERVICES**

- GEC shall select and use only Appraisers from the list of TxDOT Certified Appraisers on the TxDOT website.
- All appraisal services must comply with the Uniform Standards of Professional Appraisal Practice (“USPAP”) and Texas Law.
- **Initial Real Estate Appraisal Services**
  - Appraisers must provide advance notice of the date and time of their appraisal inspections of the subject property to the GEC Project Manager in order to coordinate the Appraiser's inspection with (if applicable and practical) the initial interview with the Displacee by the Relocation Agent.
  - GEC shall prepare and conduct personal pre-appraisal contact with interest owners or their designated representative for each parcel and offer opportunity to accompany the Appraiser and Relocation Agent on the inspection of the subject property. The written contact documents must use acceptable TxDOT forms, and the records of contact must be part of the parcel file.
  - With the information from the GEC, the Appraiser must secure permission from the owner to enter the property from which real estate is to be acquired. If after diligent effort the Appraiser is unable to secure the necessary permission from the property owner, a written waiver must be obtained from the AUTHORITY. The permission or

written waiver must be incorporated into the appraisal reports.

- The assignment for an initial and update appraisal are two separate and distinct appraisal assignments. The fee for each assignment must be reflective of the complexity of the specific individual assignment.
  - For an initial appraisal assignment, the Appraiser must prepare an appraisal report for each parcel to be acquired utilizing applicable TxDOT forms. These reports must conform to TxDOT policies and procedures along with the Uniform Standards of Professional Appraisal Practice as promulgated by the Appraisal Foundation.
  - As necessary, GEC shall prepare written notification to the AUTHORITY of any environmental concerns associated with the right of way to be acquired, which may require environmental re-mediation.
  - All completed appraisals must be administratively reviewed and recommended for approval.
  - Processing monthly invoices for appraisal services will not be delayed for the purpose of the completion of the administrative review.
  - GEC coordinates with the Review Appraiser (if applicable) regarding revisions, comments, or additional information that might be required.
  - The Review Appraiser must coordinate with the Appraiser.
- **Appraisal Review Services**
    - Review Appraiser must review all appraisal reports for each parcel to determine consistency of values, supporting documentation related to the conclusion reached, compliance with TxDOT policies and procedures and the USPAP.
    - Review Appraiser must prepare and submit applicable TxDOT forms for each appraisal review assignment.
    - The assignment for the review of an initial and update appraisal are two separate and distinct appraisal review assignments. The fee for each review assignment must be reflective of the complexity of the specific individual review assignment.
    - The review appraiser shall review appraisal reports for the purposes of establishing compensation and eminent domain purposes.
    - The review appraiser will recommend the appraisal reports for approval or acceptance, by use of the form ROW-A-10 Tabulation of Values which serves as the appraisal review report for the reviewer.
    - The appraisal reviews of appraisal reports will be performed within the requirements of the TxDOT appraisal standards stated in Chapter 3 Valuation - Legal Aspects & Policy; Standard 3: Appraisal Review, Development and Reporting of USPAP and Standard C of Standards of Valuation Practice (Uniform Appraisal Standards for Federal Land Acquisitions). Recognized methods and techniques of credible appraisal reports and reviews which are taught in appraisal courses and found in texts and publications should also be a reference for the review appraiser.
    - Appraisal reviews that require a conclusion, approval, agreement, or release of a value shall constitute a “technical review” and will comply with the related requirements.
  - **Update Appraisal Preparation and Testimony Services**
    - For an updated appraisal, the Appraiser must prepare an updated appraisal report for

each parcel to be acquired utilizing applicable TxDOT forms. These reports must conform to TxDOT policies and procedures along with the Uniform Standards of Professional Appraisal Practice.

- Beyond delivery of the appraisal assignments, the Appraiser may be called to provide preparation and testimony for a Special Commissioners Hearing (“Hearing”). For this appraisal assignment, the fee for the preparation time and testimony are separate from the initial and update assignment.

### **TASK 3 – TITLE SERVICES**

- **Title Examination**

- Lone Star Title Company (“the Company”) will provide title examination and closing services for the John Hayes Street project on behalf of the AUTHORITY and El Paso County. Services rendered will include the following:
- Upon receipt of a legal description of the parcel(s) required from the project surveyor, the Company will provide a title commitment to the GEC indicating current ownership along with a copy of the vesting documents to support Schedule A. The Company will also provide to the GEC all recorded documents shown as exceptions to title on Schedule B of the title commitment and all documents shown as title curative requirements on Schedule C of the title commitment. The GEC will depend on this information to deliver clear title to the parcels being acquired.
- The Company will provide updates to title commitment as required by the GEC through the life cycle of the project.
- If a parcel to be acquired requires acquisition by eminent domain, the Company will review pleadings to confirm that the condemnation proceeding will dispose of all interests and vest fee simple title in the AUTHORITY and/or El Paso County.

- **Title Policy**

- The Company will serve as escrow agent and provide closing services upon their receipt of funds for the parcel being acquired. The Company will prepare settlement statements on a HUD-1 form along with other affidavits or closing requirements. The Company will provide these documents to the GEC for review and execution, as required, prior to closing.
- The Company will provide in person closings or mail outs to owners as necessary.
- The Company will disburse funds to sellers, with all normal closing costs to be charged to the AUTHORITY and/or El Paso County.
- All deeds and required title curative documents will be appropriately recorded with the County Clerk of El Paso County.
- The Company will deliver an owner’s policy of title insurance to the AUTHORITY and/or El Paso County, showing said entity as the named insured.
- The Company will comply with any special requirements (such of deletion of survey exception) or other requirements as specified by the AUTHORITY and El Paso County.

## **ASSUMPTIONS**

- Right of Way Maps and Final Surveys to be provided by the AUTHORITY upon issuance of Work Authorization to GEC.
- Eleven (11) Parcels to be acquired under TxDOT LPA process, with one (1) potential business and/or personal property relocation and an estimated three (3) Parcels requiring condemnation support services.
- The El Paso County Attorney will coordinate and handle all condemnation proceedings.
- Hourly rates and overhead rates shown in Exhibit B are estimates or averages used for the purpose of establishing the not to exceed budget for this work authorization.
- Property Management, disposal of property, and required demolition activities will be provided by the AUTHORITY or El Paso County.
