WORK AUTHORIZATION NO. 36.1

AMENDMENT NO. 6

This **Amendment No. 6** to **Work Authorization No. 36.1** is made as of the last date noted below (the “Amendment”), under the terms and conditions established in the AGREEMENT FOR GENERAL CONSULTING ENGINEERING SERVICES, dated as of July 24, 2015, (the “Agreement”), between the Camino Real Regional Mobility Authority (“Authority”) and AtkinsRéalis USA Inc. (formerly known as North America, Inc. (“GEC”)). This Amendment is made for the purposes identified below, consistent with the services defined in the Agreement.

The Authority and the GEC previously entered into **Work Authorization No. 36.1** for the GEC to provide certain design oversight and construction procurement services for the Fabens Airport Improvements – Hangar Design Project (“Project”), which was supplemented by **Amendment No. 1** through **Amendment No. 5** to add scope and fees for various supplemental services. This **Amendment No. 6** is intended to further supplement **Work Authorization No. 36.1**, to allow the GEC to provide additional support and oversight services for the re-bid of proposed T-hangar improvements to the Fabens Airport. The terms and additional compensation for this amendment are more fully enumerated herein.

Therefore, and in consideration of the mutual covenants and agreement between the parties, the Authority and GEC hereby agree to the following.

Section A. – Scope of Services

The GEC shall provide additional general engineering, oversight, and support services previously identified in **Work Authorization No. 36.1**. These additional services shall supplement the prior activities requested of the GEC, as identified in **EXHIBIT A** of **Work Authorization No. 36.1**, as amended.

Section B. – Schedule

The GEC shall commence the performance of the additional services contemplated herein, upon execution of this **Amendment No. 6**.

Section C. – Compensation

In return for the performance of the additional services required herein, the Authority shall pay to the GEC an additional not to exceed amount of ELEVEN THOUSAND FIVE HUNDRED THIRTY-FOUR AND 15/100 DOLLARS (\$11,534.15), based on the Fee Estimate Summary, which is attached hereto for all purposes as **EXHIBIT B-6**. Compensation shall be made in accordance with the Agreement. Invoices shall be provided by the GEC in accordance with **EXHIBIT C** of Work Authorization No. 36.1.
