RFP ADDENDUM #1

This addendum modifies the Request for Proposals document first published by CRRMA on July 7, 2015. The following table reflects the changes made to the RFP document.

Section	Description
RFP XI.2	<p>Clarified security guard service are being requested for twenty-four (24) hours per day, seven (7) days per week. The section will now read as follows:</p> <p>The CRRMA anticipates that armed security guard services at this location will consist of up to three (3) shifts per day, seven (7) days per week including holidays, such that the Toll Facility has a security guard on duty at all times, twenty-four (24) hours per day, seven (7) days per week. Normal operating hours at this location are 6 a.m. to 10 p.m., seven (7) days per week including holidays. No single Security Guard will perform shifts in excess of twelve (12) hours, and all guards will have at least one (1) twelve-hour break between shifts. The CRRMA may revise the security guard schedule as needed from time to time.</p>
