

# NOTICE OF VEHICLE INSPECTION OPPORTUNITY

## EL PASO STREETCAR PROJECT

### PCC VEHICLE INSPECTION OPPORTUNITY:

The **Camino Real Regional Mobility Authority (CRRMA)** in El Paso, Texas, plans to host a **Pre-Proposal Vehicle Inspection Opportunity** on **March 13, 2015, from 10:00 AM to 2:00 PM Mountain (El Paso) Time.**

The inspection opportunity is made available for bidders who anticipate proposing on the RFP for the **Rail Vehicle Component** of the El Paso Streetcar Project. The full RFP is located at:

<http://www.crrma.org/procurements.asp>.

For inspection, the nine existing PCC vehicles have been placed in a fenced location near the El Paso International Airport in the City of El Paso, Texas. The location is at the end of the cul-de-sac of Picacho Pass Drive near George Perry Boulevard. Participants are responsible for making their own travel arrangements to the site and ensuring that safety precautions (such as appropriate personal protective equipment) are exercised during inspections. Two 12' ladders will be available at the site for visual inspection of the vehicle roofs. Participants will be required to sign a safety acknowledgement and release form prior to access for inspections. For questions, please contact [elpasostreetcar@urs.com](mailto:elpasostreetcar@urs.com).
