**MISSION RIDGE BLVD. PHASE II PROJECT  
QUESTIONS AND ANSWERS  
POSTED – June 4, 2019**

As noted in Addendum No. 1 and the Question and Answer document, both dated May 24, 2019, the CRRMA added scope to the Mission Ridge Blvd., Phase II Project for the installation of a temporary traffic signal. In the Addendum and Q&A documents, the CRRMA permitted bidders to submit new questions related to the additional scope, which were to be submitted by 5:00 p.m. on Thursday, May 30, 2019. No additional questions related to the temporary traffic signal were received by the CRRMA. Therefore, no answers are being provided in this document. However, please note that the CRRMA has issued Addendum No. 2 dated June 4, 2019 for the Mission Ridge Blvd., Phase II Project.
