CAMINO REAL REGIONAL MOBILITY AUTHORITY (CRRMA) INVITATION TO PROPOSE

Sealed proposals will be received before the bid due date shown below for the **El Paso Streetcar Project Overhead Contact System Reconfiguration**.

PROJECT DESCRIPTION: The scope of work consists of removing a portion of the overhead contact system (OCS) inside the El Paso Streetcar Maintenance and Storage Building (MSF) and replacing the existing OCS with a less intrusive non-tension contact wire system. The project is confined to the MSF facility at 601 S. Santa Fe.

PROPOSER REQUIREMENT: The proposer cannot be on the TxDOT or federal list of Debarred/Sanctioned Contractors.

PROPOSAL PACKAGES: for the project are available electronically on the Procurements Page of the CRRMA website: www.crrma.org. Any extensions or changes in the proposal package or due date will be posted on the Procurements Page of the CRRMA website: www.crrma.org.

PROPOSAL DUE DATE: Proposals must be received by the CRRMA by 4:00pm (El Paso time) on the date noted on the title page of the procurement. Proposals shall be submitted as follows:
