CAMINO REAL REGIONAL MOBILITY AUTHORITY (CRRMA) INVITATION TO BID

Sealed bids will be received before the bid due date shown below for the **El Paso Streetcar SCADA Project**.

PROJECT DESCRIPTION: This El Paso Streetcar SCADA work consists of designing, installing, and testing a SCADA system to control the substations and add-alternate items. Work consists of setting up monitor and control points at the substations to remotely control the substations from Maintenance and Storage Facility. Add-Alternate Work consists of installing monitor and control points at the rail switch cabinets. Add-Alternate Work can also consist of monitor points to be installed at the disconnect and bypass switches on the overhead catenary poles. The project is a 4.8 mile circulator system from the Sun Metro Maintenance and Storage Facility at Santa Fe and Father Rahm to the University of Texas at El Paso at Glory Road and Mesa.

BIDDER REQUIREMENT: The bidder cannot be on the TxDOT or federal list of Debarred/Sanctioned Contractors. The existing Streetcar system utilizes Siemens protocols.

PLANS, SPECIFICATIONS AND BID PACKAGES for the project are available on the Procurements Page of the Camino Real Regional Mobility Authority (CRRMA) website: www.crrma.org.

Any extensions or changes in the plans, specifications, bid package or due date will be posted on the Procurements Page of the Camino Real Regional Mobility Authority (CRRMA) website: www.crrma.org.

BID DUE DATE: Sealed bids will be publicly opened by the CRRMA on June 29, 2020 at 2:00 p.m. in the Thorman Conference Room in the basement of the El Paso City 3 Building, located at 801 Texas Avenue, El Paso, Texas 79901. The CRRMA reserves the right to accept or reject any or all bids, to waive all technicalities, and to accept the bid or bids most beneficial to the CRRMA, as applicable.
